

Lake Julia Association Annual Meeting

Sunday, July 5, 2009 (the 4th is on Saturday this year)
(No rain date)

Where: Rick and Paula Mayer's cabin
1:00 P.M.

Please bring a dish to share, a lawn chair, and yearly dues (\$15/cabin)

We need to elect two new board members this year, so please be prepared to nominate your neighbors. Also, we will need a host for next year, so please volunteer.

We will have the business meeting first this year, and food after that. Last year, it was hard to get the meeting started because of the noise. The only required business is the election of the new board members, so it should be short. Be prepared for plenty of socializing after that!

Directions:

By boat: On the East side of the lake across from the island. This cabin was previously known as the Don Kotten cabin, and some still refer to it as Kotten's Bay.

By car: Scott Lake Road to Bradford Lane to Harmony Lane. You will pass the following cabins on Harmony Lane before reaching Rick and Paula Mayer's cabin: George Munkwitz, Pete Schlueter, and Chuck Munkwitz. This is an unimproved road, so boat is probably preferable.

The board meeting is at 12:00 at the Mayer's, and visitors are welcome
